Do not leave your boat at the Village of Ephraim's firehouse ramp and parking lot (1/2 mile south of the EYC on hwy. 42) unless you have been given permission to do so by the regatta chair. The EYC has two hoists and no ramps for launching and visiting Flying Scots should bring their own lifting bridles. 11. RADIO COMMUNICATIONS

11.1. EYC recommends that all vessels carry a VHF handheld radio for safety reasons.

13. EYC CLUB BOATS - BOAT DRAW AND RESPONSIBILITIES

13.1. The boat draw for the use of EYC club-owned Flying Scots is only available to EYC members.

13.2. EYC members must have an EYC skipper's license to be eligible to participate in the draw to skipper an EYC-owned Flying Scot in this regatta.

to director@eyc.org with the skipper's name and the regatta name prior to July 28th, 2022 at 12:00PM requesting to be in the boat draw, and receive email confirmation of receipt, to be entered. Only one member of a skipper / crew team may enter the drawing. Should there be an equipment failure in the two weeks prior to the regatta, boats will be reassigned in the order originally drawn.

13.4. Redress is not available to a skipper who experiences a breakdown or equipment failure in an EYC-owned boat, or who draws a boat and for any reason is unable to compete in that boat. Decisions of the EYC staff and race committee with respect to boat draw matters are final and are not eligible for redress.

13.5. No priority will be given to any person in conducting any Flying Scot boat draw.

13.6. Persons drawing an EYC-owned boat are expected to skipper that boat in all races, unless that person believes it is unsafe for that person to sail due to boat condition, weather, or other factors. The EYC Race and Regatta Committee may rule repeat violators ineligible for future boat drawings.

13.7. In the event the person winning a drawing does not compete as skipper, a drawn boat is not assignable by the original winner to another skipper but will either be (a) assigned to the skipper who drew as an alternate, in the order drawn, or (b) placed back in the drawing pool.

13.8. The skipper of an EYC boat is expected to use due care when operating it and shall be responsible for the cost of any repairs of any damage caused by the skipper to the boat or caused by a third party to the boat or caused by the skipper to another boat.
