- 3.1. While racing, except in an emergency, a boat shall not make voice or data transmissions and shall not receive voice or data communication that is not available to all boats.
- 3.2. On the water, the race committee will make courtesy broadcasts to competitors on VHF radio. The channel will be stated in the SIs.

4. ELIGIBILITY AND ENTRY

- 4.1. Only San Juan 21 one-design boats are invited to participate. This event is open to all members in good standing with the San Juan 21 National Class Association. National Class Association dues must be paid in full prior to the regatta.
- 4.2. Allocation of entrants into Spinnaker (Main, Jib, and Spinnaker) and Working Sails (Main and Jib only) fleets shall be the responsibility of the Organizing Authority. Entrants specify fleet selection on the regatta entry form; fleet selection may be changed at the time of registration check-in. All entrants not declaring Spinnaker or Working Sails Fleet will be assumed to be Working Sails Fleet. No changes may be made after check-in. Fleets will be posted at the skipper's meeting.
- 4.3. Sails that have not been previously certified must be measured and certified prior to the first race. Facilities will be provided for sail measurement near the registration area.
- 4.4. All boats are subject to measurement as defined by the National Class Association specifications. Boats not meeting the requirements are subject to disqualification. Each skipper has the responsibility to ensure that his boat complies with all of the class rules, including minimum class hull weight of 1400 lbs. It is strongly encouraged that skippers take time to weigh their boats per the class guidelines and add corrector weights if necessary, prior to arriving at the regatta. Ignorance of your hull's weight will not be accepted as compliance to the rule.
- 4.5. Boats may enter the event by registering online at
- 4.6. To be considered an entry in the event, a boat shall complete all registration requirements and pay all fees.
