

2023 Summer Series Keelboat Protest Rota

- Each boat listed on the schedule below should designate one member to serve as needed on a protest panel following fleet races on their appointed date.
- The designated member should report to the race committee office immediately on returning to the club to see if participation is required.
- If the race committee needs that member to participate panel, that member will sit with certified judges to hear protests and render decisions.
- Fleet members will hear protests concerning other fleets. A J70 member may hear an H12 protest; A Shields member may hear a J70 protest, and so on.
- If there is a schedule conflict, please find a replacement and inform the race office of the change.
- Questions? Contact Club Judge Mike Balay: jmbalay@gmail.com
