<https://ccmorf.files.wordpress.com/2018/02/2-1-10-ccyc-bay-race-map-and-chart.pdf>

When passing through the Gap, all navigational aids on station shall be considered marks of the course and left on the proper side.

Orange tetrahedrons may be used as marks to supplement bay fixed marks and will be announced at the skippers meeting.

- 10.2 The letters "p" or "s" following a mark designated to which side the mark is to be taken ("p" for port and "s" for starboard)
- 10.3 A temporary mark or orange hippity hop may be tethered or anchored off the stern or alongside the RC Signal boat. Yachts are prohibited from sailing between such mark and the Committee Boat. This temporary mark is considered an extension of the Committee Boat.

11. THE START

- 11.1. The start line for the Navy Base Race on Saturday will be east of the Corpus Christi Marina 1.3 nm from the "Gap" at or about the previous fixed mark position formally known as #2 on the mark chart above.
- 11.2. The start will be at a line between a staff bearing an orange flag on the RC boat and a hippity hop or orange mark.

- 11.3. The number of classes shall be dependent upon the actual number of yachts registered. As a result, the starting sequence may be subject to adjustment at the competitor's briefing.
- 11.4. A yacht must start within 5 minutes after her starting signal; however, she shall in no way hinder any yachts starting or preparing to start in another class.
- 11.5. **Yachts whose warning signal has not been made shall keep well clear of the starting area and of all yachts whose warning signal has been made.**
- 11.6 Boats will check into the committee boat by radio on channel 68 by announcing the boat name or sail number once in the general vicinity of the RC boat. This is to minimize traffic around the RC prior to and during the start sequences. Failure to check in via radio will result in a 20% scoring penalty.

12. RECALLS

General and individual recalls shall be signaled in accordance with Rule 29. An individual recall will be signaled by display of Code Flag X. When a general recall has been signaled, using code flag "First Substitute" (yellow triangle with blue border). A class receiving a General Recall will move to the end of the start process and start after the last class when announced on Channel 69 (Change to Rule 29). The Race Committee will attempt to hail OCS boats on VHF Channel 69, however failure to contact the OCS (Individual) boat does not relieve the boat's responsibility to return to the start line and clear.

13. CHANGES OF THE COURSE AFTER THE START

Courses will not be changed after the start.

14. THE FINISH

The finish line for the Navy Regatta Race on Saturday will be the standard Wednesday Day night Start/Finish line. All boats must finish between the orange striped box on the western (City) end and the white staff on the east (Bay) end. The finish line for the Military Challenge Cup on Sunday will be announced at the skippers meeting.

15. TIME LIMIT

If no yacht finishes within five (5) hours of the first start, the race shall be abandoned. Any yacht may be scored DNF if her corrected time against the last finisher in her class eligible for a prize (based upon the number of prizes authorized under Section 20 below) plus thirty minutes has elapsed, and she has not yet finished.

16. SAFETY

- 16.1 A yacht retiring from a race, or the event shall notify the RC at the first reasonable opportunity on channel 69 VHF. Telephone calls for such purposes may be made to the RC Rick Bell at (361) 815-3111.

- 16.2 Two safety boats will be shadowing the course and can be contacted on Channel 69, the RC Boat above or Brad Chilcoat at (214) 490-4810. Safety related items can also be reported to any of the numbers listed at the bottom of this document if RC cannot be reached. A Medical Doctor will be on the water.

Deadline for filing protests shall be forty-five minutes after the last boat crosses the finish line. Protests shall be written on US Sailing forms available from RC at the CCYC front desk. Protests will be heard in approximately the order of receipt as soon as possible.

18. SCORING

The Low Scoring System, Rule A2 will apply. One race will be run per day.

19. RADIO COMMUNICATION

- 19.1 A yacht shall not receive special radio or telephone transmissions not available to all yachts from 30 min. prior to the first warning until the last yacht has finished.
