

SAFETY PLAN

There will be a lot of experienced coaches and sailors in motor boats watching this weekend. Please remember that there are sailors out here without coaches, and sailors whose coaches are on a different part of the race course. It is up to all of us to be on the look-out for a sailor in trouble. While the rule is stay off the race course, if you think there is a potential problem, do not wait to ask permission before responding. Please do inform the race committee of the situation as soon as you safely can.

If a medical emergency happens, it's pretty simple.

If you are in doubt as to whether you should call 911, call 911.

The rendezvous point for any emergency is the Oklahoma City Boat Club at the West Hoist, 9101 Lake Hefner Pkwy, Oklahoma City, OK 73120

If you do call 911, please as soon as is safe then call in order, regatta Chair

Scott Law 405-520-2442 or Shawn Cina 405-317-4490 or

Justin Howard 405-508-9951

Thank you!
