August 12-15, 2024

Lake Michigan

Welcome to the 2024 WAVE 100!

First and foremost, thank you so much for attending and supporting this inaugural regatta. Without the support of sailors like you, regattas like this couldn't happen. It started as a mere suggestion, a "What if...", and over time, with a lot of work, this idea has become a reality.

Making an event like this happen is a major undertaking, and it takes a dedicated team to pull it off. A few special thank yous go to John Williams for ensuring we will have quality racing and sharing a whole lot of expertise on events like this; Beverley Simmons for event documentation and promotion; John Nekus for securing permits and permissions and making contacts; Race Committee Volunteers for their time and devotion on and off the water; and to all of the unnamed people for the unseen efforts to support this sport.

On behalf of the FWC leadership team, we hope you have a great week, and please don't hesitate to find one of us if you need anything. We want this to be a fun experience for you. We look forward to your feedback and we hope to do this again!

Thank you for joining us!
