- 2.2 There will be one class, comprising of spinnaker and non- spinnaker boats. Boats may opt to use their non-spin ratings at time of entry and shall then be obliged to sail without the use of a spinnaker. Random leg ratings will be used. For boats without a rating the RC will assign a rating.
- 2.3 Spinnakers shall be doused before they enter the outer breakwater.
- 2.4 Start times will be determined according to their stated PHRH rating or equivalent.
