

Thanks for coming to the 2024 US Multihull Championship at DCYC! We're thrilled to be hosting the Hobie Alter Cup Competitors. Welcome!

Reminders & Information

- Bottled water will not be provided. Alter Cup Competitors will receive Stainless Steel reusable water bottles at registration. Potable water is available onsite.
- Boat Insurance – bring proof of insurance.
- Weigh-in and Registration Check-in on Thursday, May 23, 12:00 – 17:00. Both Skipper and Crew must appear at Weigh-In.
- Check Event Website for updated NOR/SI postings (see 5/18/2024 SI update). OA will limit printed copies at event. https://www.regattanetwork.com/event/27320#_docs

Recent rains have provided larger sailing area but limited the usual rigging and parking areas. Please follow instructions from OA & DCYC volunteers.

Upon arrival OA will direct you to Unloading zone, and Weigh-In area.

- Driving on Grass will be restricted due to wet lawn conditions and limited grassy rigging area and beach launch. This is due to the 3.5' increase in lake levels from recent rains.
- Following Weigh-in roll boats to rigging area using beach wheels. Trailers will be disconnected and shuttled to Trailer Parking by ATVs.
- Move vehicles to Vehicle Parking as directed by OA. Parking may be tight however we are Hobie family and will make space.
- RVs will be directed to appropriate limited spaces

Get weighed, boat situated, and vehicle parked before proceeding to Registration.

- Registration – bring Proof of Insurance
