

We thrilled be hosting the 51st Hobie Mid-Americas Championship at DCYC again this year. The US Multihull Championship is running concurrently this weekend for even more Hobie family fun. Welcome!

Recent rains brought lake levels up 3.5' and with more possible rain on Thursday the DCYC lawn may be soggy. Please follow instructions from Organizers & volunteers regarding vehicle and trailer parking areas.

Upon arrival Organizers will direct you to Unloading zone.

- Driving on Grass will be restricted due to wet lawn conditions and limited grassy rigging area and beach launch. Grassy rigging area will be limited to boats only.
- Trailers will be disconnected and shuttled to Trailer Parking areas identified.
- Move vehicles to Vehicle Parking as directed by Organizers. Parking may be tight however we are Hobie family and will make space.
- RVs will be directed to appropriate limited spaces.

Get your boat situated, and vehicle parked before proceeding to Registration.

- Registration – bring Proof of Insurance

Reminders & Information

- Bottled water will not be provided. Mid-Americas Competitors will receive aluminum reusable water bottles at registration. Potable water is available onsite.
