

South Lake Tahoe Windjammers Yacht Club Perpetual 2024

Amendment to Sailing Instructions

Aug 8, 2024

The following instructions will apply to all races conducted on Sunday, Aug 9, 2024 :

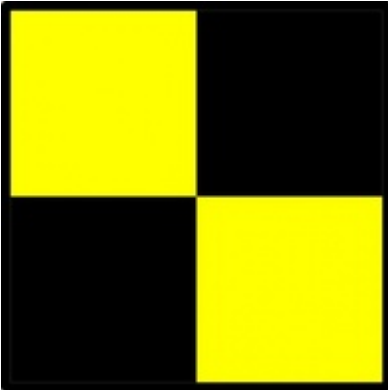

1) Start Time:

First warning will take place at 12:30 pm at our usual "O" venue.

2) On-the-water communications from the Race Committee:

All course selections will be announced via VHF channel 72. The Race Committee will also communicate course selects verbally to any vessel within hailing distance.

Please note: Should a course be selected from the following list of "Special Courses", a code flag "L" also known as "come within hail" flag (black and yellow checkered flag) will be displayed on the committee boat.

Code flag "L"

3) Courses:

The Race Committee has received a report of a missing mark. "R" is missing from its assigned station! As a result, I have tailored a few alternative courses for Sunday's races.

| Mark | Comments | Lat | Long |
|------|-------------------------------------------------------------------------------------|--------------|---------------|
| "O" | "Club Mark" | 38° 56.717 N | 120° 00.783 N |
| "C" | Camp Richardson | 38° 56.600 N | 120° 02.000 N |
| "DW" | Deep Water | 38° 57.587 N | 120° 00.802 N |
| "TK" | Tahoe Keys Mark (located approx. ¼ nm north of the east bathrooms at Pope Beach) | 38° 56.545 N | 120° 01.274 N |
| "P" | "Papa" (located approx. ½ nm north of Raegan Beach) | 38° 57.242 N | 119° 59.160 N |

Please note: I have moved the location of "TK" further north from its usual location to better suit tomorrow's wind forecast. Also, water depth at "P" should not be a concern for any boats in our fleet this year.

Special Courses:

| Course # | | | | | | | Distance |
|----------|---|-----------|-----------|---|--|--|----------|
| SC1 | O | P (port) | O | | | | 2.8 nm |
| SC2 | O | P (port) | TK (port) | O | | | 3.5 nm |
| SC3 | O | DW (star) | P (star) | O | | | 3.6 nm |
| SC4 | O | P (port) | C (port) | O | | | 4.6 nm |

Highlighted regular courses:

| Course # | | | | | | | Distance |
|----------|---|-----------|-----------|-----------|-----------|---|----------|
| 1 | O | DW (port) | O | | | | 1.8 nm |
| 2 | O | DW (port) | TK (port) | O | | | 2.4 nm |
| 4 | O | DW (port) | C (port) | TK (port) | O | | 3.1 nm |
| 5 | O | DW (port) | O (port) | DW (port) | O | | 3.6 nm |
| 8 | O | DW (port) | TK (port) | DW (port) | TK (port) | O | 4.6 nm |

Commentary from the P.R.O. on courses:

I have highlighted a few courses that I feel will fit the wind forecast for Sunday. The regular course sheet still applies and the Race Committee still has the option to select from that sheet, should the wind allow.

4) Sailing instructions:

All instructions not addressed in this document will remain in effect from the document issued on 8/20/2024.
