5. CHANGES IN THE SAILING INSTRUCTIONS

5.1. The sailing instructions will be posted on regatta network and available at the host Club by 1000 of the race day.

6. SIGNALS MADE ASHORE

6.1. Signals made ashore will be displayed from the CYC clubhouse race committee flag hoist. Multiple horns will precede the first WARNING by one minute. Numeral pennants will be used as class flags for the five-minute Rule 26 start sequence. In the event of a postponement, the removal of the postponement flag will be accompanied by multiple horns, and precede the WARNING by one minute. This changes RRS race signals.

7. STARTS

7.1. PURSUIT START

7.1.1. The starting times will be available at the CYC Front Desk by 1000 the morning of the race. The race committee may be required to delay a start sequence due to wind conditions, so please observe RC flags on roof of clubhouse. Delays will be in increments of 10 minutes so it is easy for competitors to calculate their new start times. RRS paras 2. and 22.1, Corinthian spirit, and common sense dictate that boats not yet racing keep clear of boats racing or attempting to get a good start.

7.2. RACE COMMITTEE WILL BE ON THE CYC ROOF. Standard horn/flag sounds and hoists will be observed as follows:

7.3. The START/FINISH LINE lies between a buoyed pole displaying an orange flag and a red and white striped pier piling at the end of slip B-14. The piling is the starboard end of the start line and port end of the finish line.

7.4. Diver is a Orange Tetrahedron moored approximately 100 feet off the end of AB dock (near the Boathouse restaurant).

7.5. SD (n) and GB (n) are San Diego Bay and Glorietta Bay channel buoys. BP (n) is the piling number of the Coronado Bay Bridge. FM 19 is the Navy Fleet Mooring buoy.
