Saturday, August 24, 2024

1. RACING RULES:

- 1.1 Local Advisory: All competitors are asked to observe USCG Navigational Rule 9, which in part reads "A vessel shall not cross a narrow channel or fairway if such crossing impedes the passage of a vessel which can safely navigate only within such channel or fairway." RRS 60.2, 63.1, and A5 are modified to add that the Race Committee (RC) may disqualify a boat infringing this instruction without a hearing. RRS 90.3 is modified to add that this disqualification shall not be excluded.
- 1.2 [DP] NAVAL and CRUISE SHIP PROTECTION ZONE: A naval protection zone exists in a radius of 500 yards ([CFR 165.2015](#)) around U.S. naval vessels greater than 100 feet in length, except when the large naval vessel is moored or anchored within a restricted area. All vessels within a naval vessel protection zone shall operate at the minimum speed necessary to maintain a safe course and shall proceed as directed by an official patrol, and when within such zone, no vessel is allowed within 100 yards of a large U.S. naval vessel ([CFR 165.2030](#)). No vessel is allowed within 100 yards of a cruise ship ([CFR 165.1108](#)).
- 1.3 Entry into the NAS North Island Security Zones 100 yards around Pier Bravo and vessels moored to it ([CFR 165.1105](#)) and the aircraft carrier turning basin ([CFR 165.1104](#)) is prohibited.
- 1.4 Per RRS 42.3(h), competitors may use an engine or other propulsion method to avoid situations in 1.1 or 1.2 provided they gain no significant advantage in the race.
- 1.5 Add new rule 41(e): (e) help to recover from the water and return on board a crew member, provided the return on board is at the approximate location of the recovery.
- 1.6 If the Race Committee boat is damaged as a result of a boat breaking a rule, that boat shall pay for the repairs.

Informing the RC can be accomplished by either (a) sailing (motoring) past the RC vessel OR (b) radioing the RC vessel (VHF 68). Failure to do this may result in entry rejection for other CRA races. If the RC vessel does not answer after numerous attempts, leave the information with another race participant to avoid punitive action.
- 15. HEARING REQUESTS:**
- 15.1 Protests shall be initiated in compliance with Rule 61 except as amended by these Sailing Instructions. Competitors intending to protest other boats shall immediately hail any other involved boats, display a red protest flag, and are required to have a Protest Flag on display when finishing. They then must inform the RC boat on station in person after finishing but before retiring from the course area. Skippers must provide the RC with the sail number(s) or name(s) of the protested boat(s) and receive RC acknowledgment. This modifies RRS 61.1(a), Protest Requirements.

- 15.6 An arbitration meeting may be held prior to a protest hearing according to RRS Appendix T for breaches of the rules of Part 2 or rule 31 where there is no serious damage or injury, if a USSA Certified Judge is available. Protests not resolved through arbitration will be referred to the Protest Committee for a hearing.

If the RC vessel does not answer, leave the information with another race participant to avoid punitive action, or keep trying.

17.2 Notwithstanding any safety requirements, the ultimate safety of a boat and her crew is the sole and inescapable responsibility of the owner or charterer.
