9 Prizes

- 9.1. In each division, the number of prizes awarded will be 30% of the number of competitors who completed two or more races.

10 Sportsmanship

- 10.1. LMYRA competitors are expected to uphold the highest standards of the Corinthian spirit and fair play. Unique to this "dual series" is the concept that some boats may be starting and sailing the course without the intent to be scored while other boats will be sailing the course for scores. Those boats sailing a course not for score should fully engage their Corinthian spirit to avoid interfering with boats that are sailing for scores, even when the non-scoring boat would otherwise have right-of-way. For example, non-scoring boats are encouraged to avoid situations such as sailing a high lane that would result in pinching off a scoring boat, claiming mark room from a scoring boat, or crossing close to a scoring boat, even when the non-scoring boat has right-of-way.

11 Safety

- 11.1. The safety of a boat is the sole and inescapable responsibility of the skipper who must decide whether to start or continue racing.

- 11.2. Boats shall comply with all applicable laws regarding required safety equipment including, but not limited to, having a wearable, approved life jacket (PFD) for each person onboard and a throwable floatation device that is accessible for immediate use.
- 11.3. Each boat shall have a working motor and enough fuel/energy to return to harbor.
- 11.4. Competitors are encouraged to also monitor channel 16.
- 11.5. A boat that retires from a race shall notify the race committee at the first reasonable opportunity. If possible, immediately notify race committee using VHF Ch 66.
