

CONTENT FOR SAS INFO

Southern California Yachting Association Presents:

US Sailing Sanctioned International Offshore Safety at Sea Course with Hands-on Training (2 day course) and

US Sailing Sanctioned Hands-On Only Training and

US Sailing Sanctioned International Offshore Safety at Sea Refresher Course

October 5th & 6th, 2024

Our Moderator will be

Commodore Kathy St. Amant suggests that you take the two day course and experience the speakers in person. You will have the opportunity to engage with them, hear their personal stories, and ask questions. Learning in a shared environment is so much richer than watching videos alone.

Choice of Two Day, One Day Hands ON, and One Day Refresher Courses

The single day is on Sunday the 6th of October

In person course work with hands on training will take place at

Del Rey Yacht Club – 13900 Palawan Way, Marina Del Rey, CA 90292

PRICE INCLUDES: Printed book and US Sailing SAS PDF Certificate, Continental Breakfast and Lunch

Saturday night: No host buffet dinner on the pool deck afterwards \$35

WOMEN MAY CHOOSE TO BE PART OF OUR WOMEN'S ONLY CADRE

All courses include continental breakfast, lunch, printed version of the companion book, and a PDF upon successful completion.

The one day courses REQUIRE prior online course requirements.

ONLINE SECTION MUST BE COMPLETED 3 DAYS BEFORE THE EVENT and be accessible in their database for you to attend.

PROOF OF ONLINE COMPLETION REQUIRED to complete the Hands On course

Once both sections are successfully completed, you will receive the PDF Certificate

Go through the FAQs below for more information, topics, our moderator and instructor information.

Please read the following FAQs and following information so you know what you need to receive your certificate. You may choose to order mandatory modules from US Sailing and then

take the Hands On seminar at DRYC, or you can take care of all requirements at DRYC by taking the two day course. Use the button to register for SCYA portion of seminar ONLY, use the links in the description to order modules from US Sailing.

IF YOU CHOOSE ONE OF THE SEMINARS THAT INCLUDES ONLINE TRAINING:

To receive a certification you MUST have completed US Sailing's Offshore Safety at Sea online course and provide their certificate of completion before attending. The prerequisite for most people is the "Offshore" course covering 14 topics (1-15) to receive the US Sailing International Safety at Sea with a hands-on training certificate. If you are registering for the REFRESHER seminar, you must complete units 11-15.

***Please note, you must take your hands-on course within **365 days** of completing the online course to receive your International Offshore Certificate. ***

***REFRESHER: your certificate must not have an expiration date more than 7 years old.

The online course covers a broad range of material. There is an examination after each of the topics and at the end of the course. A hard copy textbook that condenses the online course material may be purchased to be picked up when you arrive for the hands-on day.

You must complete the online course at least 3 days before the in-person part of the course so it can be available in the US Sailing database as being completed. If not, you will not be able to attend the hands-on day. Send a copy of your certificate to Commodore@SCYA.org.

HANDS-ON TRAINING

Hands- On Training is required for the US Sailing International Offshore Safety at Sea Certificate. You must attend the Saturday seminar or complete the required online modules before taking the Sunday Hands-On Training.

This course complies with ISAF Guidelines as well as World Sailing Offshore Personal Survival Course guidelines and includes a US SAILING certificate.

- SER Categories: 4.3.1 and 4.3.2
- World Sailing OSR Categories: 0, 1 and 2
- Certification is good for 5 years from the date of the course

Please reserve your seat now and check back often for updates as we finalize our schedule.

COURSE SCHEDULES - TIMES & TOPICS

FULL WEEKEND 2 DAY = 16 Hours

- Day 1- Lecture – 8 hours
- Day 2- Hands On only Day – 8 hours

[insert schedule]

OUR US SAILING SAFETY AT SEA LEAD MODERATOR

~~Captain Debbie Huntsman, as a product of her father's intensive MacGyver training, began as a boating safety education instructor in 1997. Along with continually developing her seamanship, having fun safely has been a primary focus in her sailing. A licensed Coast Guard Captain, Debbie has served the sailing community for over 30 years in a variety of capacities with state, federal, and non-profit agencies. She has sailed most of the west coast of the U.S. and Mexico and loves the splendor of offshore sailing. She races as well, along the Gulf Coast and from Pensacola to Havana on a very fast boat, loving every minute of the adventure. With her husband, Debbie helped train law enforcement officers, patrolled San Diego harbor after 9-11, and found her way to Safety at Sea, where she can apply her wide array of sailing and training experiences with an emphasis on benefiting women.~~

WHAT YOU SHOULD BRING

- Photo ID
- Credit Card
- Refillable water bottle
- Leather Gloves for flare demo (optional)
