Question 1

From: RS:X ESP 1 & FIN 1
To: The International Jury

Q1 Could you please clarify SIs 2.2. and 4.5. Is the life jacket mandatory all the time (SI 2.2) or only under SI 4.5?

A1 SI 2.2 is always in effect. It does not conflict with 4.5.

Q2 Could you please clarify SI 6.2 Format of Racing for RS:X?

A2 See document 'ISAF Sailing World Cup Miami - Boards Format' posted on the ONB by the Race committee 27th January 15.45hrs, to explain addendum D.

Q3 Could you please confirm that not having any specification under Race Scoring in Addendum D means that we are racing under the Low Point Scoring System?

A3 Low Point System applies (See rule 90.3(a)), as modified by SI 25 and Addendum D to the SIs.
