

SAILING WORLD CUP - MIAMI 2013

Question 2

From: Race Management
To: The International Jury

Q1 Changes in FX class rules related to the nation flag and sail numbers are currently under discussion with ISAF. Does current class rule C10.3(b) apply at this event?

A1 Yes

Q2 If the answer to Q1 is yes, may a boat be penalised as a result of a protest from another boat for breaking this rule?

A2 The ISAF and the 49er FX Class Association are reviewing the current class rule mandating national flags on sails. Therefore, if such a protest is upheld, the International Jury intends to apply a discretionary penalty of 0 points for any breach of this class rule.
